## SUMMER SCHOOL

Wellspring Children's Center is proud to present  
**The Story of Creation**

We are a Christian community preschool offering a rich play environment enhancing the well-being of children and their families by providing a unique opportunity to understand and care for the world God created. Wellspring's learn-by-doing philosophy is complemented by a full spectrum of hands-on activities with an emphasis on exploring in nature.

Classes begin on Monday June 4th and run until July 20th.
